### Discount Prices!

Female dog . . . . .	\$55	Male dog. . . . .	\$45
Female cat. . . . .	\$35	Male cat . . . . .	\$25
Pregnancies & dogs over 60lbs . . . . .	\$10 extra		
Cat family plan . . . . .	\$.100 (mom & litter, all kittens must be from one litter and less than 5 mos. old)		

While pediatric spay/neuter on animals between eight and 16 weeks of age is widely accepted as safe, your pet is best protected from communicable disease transmission when it is at least 18 weeks old and has received its full vaccine series from a veterinarian a week or more prior to surgery.

PLEASE NOTE: • Appointments not available unless indicated. Arrive early, space is limited – first come-first served. Intake is from 8:00 am until full. • Discharge time will be determined during intake. Late pickup will result in a small boarding fee. • Do not feed your pet after 9 pm the night before surgery if pet is older than 4 months old. Water okay. • Do not feed your pet after 6 am the morning of surgery if pet is younger than 4 months old. Water okay. • All cats must be in a carrier that is labeled with identification. All dogs must be on leashes. • Vaccinations: Dog or Cat Rabies: \$10; Cat Leukemia: \$10; Cat Distemper Combo: \$10; Dog Distemper Combo: \$10. • Dog microchip: \$20. Cat microchip: \$15. Comes with national registry. • We are unable to perform surgery on sick animals. We have limited abilities to treat certain conditions such as umbilical hernias and cryptorchids (retained testicles). Treatment for these conditions is offered on a restricted basis and requires additional fees. Cat cryptorchids: \$60, dog cryptorchids: \$90. • All dog & cat surgery prices include pain medication. • All dog neuter prices include an elizabethan collar to go home. • For spay / neuter surgery, animals must be between 8 weeks and 6 years of age. • Cash and Checks accepted.
